

## Cookies Policy

**digitaldisruptionssessions.gr** uses online technologies called "cookies". Generally speaking, "cookies" are text files that are placed in your device's browser, then stored on the device and that can be used to help recognize that browser across different Web pages, websites, and browsing sessions.

Some of the cookies we use are strictly necessary for our Website to function and we don't ask for your consent to place these on your computer. These cookies are shown below.

Cookie Name	Description
<b>cookieconsent_status</b>	Stores the user's cookie consent state for the current domain (provider: <b>digitaldisruptionssessions.gr</b> )

However, for those cookies that are useful but not strictly necessary we ask for your consent before placing them, as well as for third party cookies. These are:

Cookie Name	Description
<b>Google Analytics</b>	This is web analytics service provided by Google, Inc. ("Google"). Google Analytics uses "cookies", which are text files placed on your computer to help the Website analyse how visitors use the site. The information generated by the cookie about your use of the Website (including your IP address) will be transmitted to and stored by Google on servers in the United States. Google will use this information for the purpose of evaluating your use of the Website, compiling reports on Website activity for Website operators and providing other services relating to Website activity and internet usage. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser. To opt out of Google Analytics please go to the following link: <a href="https://tools.google.com/dlpage/gaoptout">https://tools.google.com/dlpage/gaoptout</a>
